

## **Bio**

Born in Austria, Monika Chabicosky graduated in toxicology and regulatory aspects of pharmaceutical industry. Spending many years leading her own consulting company, Monika's journey as a photographer began relatively recently in 2019. She studied Creative Documentary Photography & Photojournalism by Magnum Photos & Spéos in Paris, France. In 2022 Monika was given the opportunity of pre-senting the first project, "Missing Pieces of a Puzzle" at Magnum MAGNUM PHOTOS in Paris. This project visualizes the life of her ill sister.
