

# PRACTICE NOTES

## 2022

### January 6: First lesson of the new year!

**PIANO:** We started working on “I’ve Got Music” on pp 32-33 of the Performance Book. Pay extra attention to the sharps, flats, and rests.

**VOICE:** We started the song “Mi Gallo.” I put a Youtube with the lyrics in the Drive as Well (2022 Links).

### January 13:

**PIANO:** This time we worked in the LESSON BOOK on “Jazzy Joe” on p 53. Make sure to remember the repeat!

**VOICE:** Keep working on “Mi Gallo” and you can practice with the Youtube video.

**LISTENING:** I shared a playlist of Martha Argerich playing the Chopin Preludes (2022 Links).

### January 27:

**PIANO:** Great job noticing the chords on your own. Practice “Shepherd’s Song” on pp 54-55 in the Lesson Book.

**VOICE:** Keep practicing “Mi Gallo” and next week I will have a new song for you!

**February 3:**

**VOICE/PIANO:** Work on “Here Comes the Sun.” Practice playing the section we worked on today, and practice singing the whole thing. I will let you know when I have an audio recording of the vocals in the same key as your music (I need to make one).
